

Inspiration And Challenge

On Thursday word was received here that the men serving on H.M.C.S. Kelowna had subscribed in Victory Bonds enough to put the ship well over its quota. This fine record was received with satisfaction and pride here. In a congratulatory telegram to the men of the ship, Mayor McKay is quoted as saying that the record of the Canadian sailors serving on Kelowna's name-ship, was "an inspiration and a challenge to the people of the city to do likewise."

In these words Mayor McKay stated the situation very succinctly. The men on active service on the Kelowna have one their part in a civilian effort in a trim and handy manner. The people of the City of Kelowna have been much slower in answering the call which is rightfully theirs. Their objective is not yet achieved, and it now a week since the ship reached its objective. As His Worship said, the record of the ship was an inspiration for the people of this city to do as well as those youngsters who are doing much, much more, being on active service. And it is a challenge, for can the people of Kelowna let it be said that they, sitting comfortably at home, appreciated the need less and were less willing to invest in Victory Bonds than those men who are serving on the city's name-ship?

There can be only one reply, of course, and that reply can only be effectively named by a considerable over-subscription of the city's quota.

The Moving Finger Writes . . .

As the fury of our air attacks upon Hitler's Europe has been mounting steadily in the past several weeks, a change in the pattern of the attacks is perceptible. Instead of plastering German cities far to the interior with 2,000-ton saturation raids, our planes are dropping much heavier loads on areas closer home. Perhaps the explanation for this is that the weather has turned bad over the German interior. More likely, however, it is that the air force has switched from strategic to tactical bombing in preparation for the coming Channel crossing.

The objective of strategic bombing was to so cripple the war production of the enemy that his armies in the field could not be supplied and maintained. Thus one after another of Germany's cities and one after another of her key industries were hit with devastating result by great aerial armadas from Britain. But while the destruction of cities and war plants may be a sure way of advancing to victory, it is also slow.

With the coming of spring, a large part of the available bomber force, a force that grows bigger each week, is being diverted from the slow process of knocking out German industry to the softening-up process which must precede the launching of our channel attack.

During the past week this softening-up has been directed at two objectives—railway communications and forward air fields. If our invasion takes place in northern France or Belgium, the railway network of the Continent is admirably suited for defence. There are many east-west lines capable of handling heavy traffic. It is on these railways that the Germans must depend for the quick movement of large numbers of troops and the carrying of heavy supplies.

Damage to railway lines can be repaired rather speedily, but the destruction of great rail terminals makes this more difficult and increases the problems of the railway operators. Constant and heavy attacks upon the railway centres will in the end so disrupt traffic that it will be almost impossible to use the roads to move reserves and supplies to the places where they are needed most.

By sending the big bombers out to targets close to home, the air force is putting them to heavier use. They can carry much greater loads of bombs because they carry much less gasoline. Thus the reports of tonnage dropped in the big raids has risen from 2,000 tons on Berlin to 4,000 and 5,000 tons on the closer targets.

The assault upon the airfields in northern France is likewise being undertaken to make the defence of Europe more difficult. The farther back the Germans are driven with their air bases the more difficult it will be for them to attack our soldiers when the invasion comes.

Early last winter the daily attacks of our fighter bombers on the fields near the coast forced the Germans to establish other bases farther inland. While the coastal bases were being repaired the German planes had to operate from fields 50 miles away. Now the big bombers are going after these secondary fields and forcing the enemy still farther back. The farther back he is driven the more gasoline must be used in getting to and from the invasion coast. This will mean the length of time the German planes can stay over the target area will be reduced and so, in all probability, will be the amount of ammunition the German planes can carry.

While emphasis has changed from strategic to tactical bombing, the efforts invested in the former will pay big dividends when the invasion comes. It has been estimated that raids on fighter plane factories since last November have reduced German plane production by 5,000 planes. In addition, another 3,000 have been destroyed in combat. How many planes Hitler is holding in reserve for the invasion is unknown. We do know, however, that the number is many thousands less than it would otherwise have been because of the damage done by the attacks on Hitler's plane plants.

Mr. Winch Can Explain--Maybe

Mr. Harold Winch, leader of the C.C.F. party in this province, last week went to Vancouver Island to defend his stand and the stand of his party on the Japanese question. He is reported to have stated that he is not in favor of the Japanese returning to British Columbia, but that his party felt that they should be scattered across Canada.

Mr. Winch, of course, is drawing a red herring across the issue, but probably he has some answer ready for the obvious questions which his remarks prompt. Such questions as to how he plans to keep the Japanese in other sections of Canada if they do not choose to remain there? Are the normal, unhampered travel facilities to be disrupted if his party obtains power? Does he plan on erecting immigration barriers at each of the provincial boundaries? Will it be necessary for us to carry a passport to cross into Alberta?

It is an easy thing to say that the Japanese should be scattered across the country in small groups, but it is another thing to keep them there. Just how does Mr. Winch propose to stop the Japanese from coming back into the Okanagan, the Fraser Valley and Vancouver, if and when they so desire, should his idea be tried out?

We admire Mr. Winch's quick wit and ready tongue, and we would be very happy to hear his answers to those questions. We may be wrong, but we doubt that he can find a satisfactory answer.

Red Tape Thinking

Red tape is a state of mind as well as a method of procedure. Red tape is the act of postponing decisions, taking your time, playing safe, following routine, stifling initiative, quitting when the whistle blows, business as usual, politics, picnics and golf as usual.

Men and women sit snugly at home and are shocked by newspaper reports that red tape is delaying deliveries of vital war material. But in their home, and in millions of similar homes, red tape is retarding the war effort. The housewife's red tape may be in her housekeeping methods. She finds it "im-

(Continued on Page 10)

Victory Loan Over Halfway Mark But Subscriptions Less

Benvoulin Over Top, With Glenmore Near Objective—City Reaches Forty-Seven Per Cent of Quota—Individual Purchases Are Less Than Last Year—Organizer Stresses Need For All-Out Effort If Objective Is To Be Reached—Dominion Wide Sales Also Show Decrease

WITH the Victory Loan campaign half over, total collections for Kelowna and district passed the fifty-three per cent mark yesterday afternoon, with a total of \$357,400 having been subscribed.

Benvoulin took first honors when it went over the top yesterday with sales of \$15,900, or 106 per cent of its quota. Close up is Glenmore, with 96.3 per cent subscribed, and its residents expect to go over the top today and reach its objective of \$25,000. Rutland and Okanagan Mission are tied for third with 81 per cent pledged.

Total applications to date are 1,150, which compares favorably with the last campaign in numbers but the total of individual subscriptions is somewhat lower.

The City of Kelowna had 627 subscriptions for a total of \$107,100 yesterday afternoon, and this amount is definitely lower than in the fifth campaign. With only 47 per cent of the city's quota subscribed the Victory Loan Committee expects hard slugging to reach its objective of \$420,000.

Colin Oliphant, campaign manager, stated Wednesday afternoon that only the co-operation of every citizen would put the city and district over the top by May 13.

"We are encouraged by the fact that there are quite a substantial number of new purchases on our lists," said Mr. Oliphant, "and this shows that the average resident is doing his or her part and accepting a share of the responsibility for the success of the campaign. However, the subscribers who have backed the previous loans have not, in many cases, equalled their purchases of last year. The result is that we are substantially below the figure of the last loan at the halfway mark in time. I do not wish to appear pessimistic after the outstanding record attained in past loans by Kelowna," he continued, "but it is evident that it will take an exceptional effort to put the city over the top."

The canvassers are working at top speed, but some citizens have not yet been contacted owing to lack of time. The committee now asks every citizen who has not yet subscribed to arrange subscriptions immediately through their banks. Time is getting short and completion of these purchases will be of material assistance to the committee and enable it to get an accurate check on the progress of the drive.

So far most of the subscriptions have been made through the loan sales staff, and this is evidence that the canvassers are being carried out. A total of 938 applications had been brought in by the salesmen by Wednesday afternoon for a total of \$254,700. Banks have listed 181 applications valued at \$102,200, and 40 applications through special employers provided a balance of \$2,500, to bring the over-all total to \$357,400.

Following are the totals for the city and districts up to press time Wednesday:

Ed Lipinski won the B.C. individual gymnastic championship last week at Vancouver, when Pro-Reps representatives from all over the province competed in the various classes of gymnastic competition. The four-man Kelowna gym team also took first honors in this outstanding event, and have set a record of five consecutive wins in the last five years. The Kelowna gymnasts brought back five trophies and one medal as a result of their trip, and are delighted with their success.

Lipinski had a close win in the individual contest, and August Klone was a close-up third. The four-man team was made up of Lipinski, Clancione, Grey and Biano.

Kelowna Bombed Britons Lead All Canada In Volume of Work Done By Volunteer Workers

Over One Hundred Thousand Articles Shipped Overseas Through Salvation Army—Value Exceeds Quarter Million—Lawrence Avenue Headquarters Is Hive Of Industry, With Efficient Organization Headed By Mrs. O. France

NOT many residents of Kelowna know that there operates in this city an organization that has surpassed the output of any other sister branch in any city in Canada. The group is known as the Bombed Britons Society and this group of workers from the city and district have sent more articles to Great Britain than branches in Montreal, Toronto or Vancouver.

An amazing total of 110,000 articles have been shipped through the Salvation Army by this Kelowna group, and the value exceeds \$250,000. This record for a city and district not exceeding 10,000 people is one of which its members are justifiably proud and which not only deserves, but demands, the support of all.

Mrs. O. France directs the work at the workroom on Lawrence Avenue and gives her full time to an arduous and exacting job. She has the support of a number of loyal members who spend as much time as possible using repurposed clothing and making warm and smart children's garments out of second-hand adult clothing donated by residents of the city and district and from other organizations in the Okanagan Valley.

Only a visit to the workroom can give full appreciation of the tremendous amount of work accomplished. The shelves are filled with a multitude of articles and finished and partly completed dresses and coats hang on the racks. Two sewing machines are kept busy by workers who are sewing up old coats and using an hour or two of their spare time to make the dozens of different articles, sent overseas for distribution to needy families who have lost everything in the horror of bombing from the air, or are unable to supply warm clothing to their youngsters because of sickness or lack of supplies.

Near the front of the headquarters is a quilting frame, where the workers turn out hundreds of attractive and warm quilts for homes in Britain. There is always a quilt

SCHOOL CADET CORPS REVIEW NEXT TUESDAY

Army And Air High School Cadets Will Be Inspected In Morning And Afternoon Respectively

The Cadet Corps of Kelowna High School will reach the goal toward which they have been working for seven months when Air Cadet Squadron 243 and the Royal Canadian Army Cadets and Cadettes will be reviewed at the City Park oval next Tuesday, May 8.

The Army Cadet inspection will commence at 10 a.m., when the lads in khaki will pass under the critical eyes of inspecting officers from Vernon. They will display work accomplished in marching, first aid and physical training, besides regular drill.

For the inspection of Air Cadet Squadron 243, to commence at 2 p.m., the officers inspecting will fly over by the City of Kelowna on an amphibious plane.

The Air Cadets will be presented with an ensign which will be accepted by Sergeant Hewlett on behalf of Squadron 243. The ensign will be presented by the City of Kelowna on an amphibious plane.

No park function is entirely a success where a grantstand is empty and Cadet committees have expressed the hope that some of the older folk will be able to find time Tuesday to give the lads some well-deserved support.

FERRY QUESTION TO BE DISCUSSED AT BOARD DINNER

Monthly Meeting Of Kelowna Board Of Trade Planned For May 16

Tuesday, May 16, was set as the date of the next general meeting of the Kelowna Board of Trade, when the executive met on Tuesday morning in the Board room. Instead of a speaker, the members will be asked to express their attitude in regard to the Kelowna Westbank ferry and the necessity of pressing for construction of the second ferry to handle traffic and to be available if the present ferry is tied up, for repairs or because of weather conditions.

President Whillis pointed out that the Kelowna Board of Trade has proposed additional ferry service on the ground that it will put off construction of the Naramata road. The Board executive has been active in the past in pressing for the road, and it was agreed that it was desirable that the general membership should have an opportunity of hearing all sides of the question of constructing the executive as to future action and policy.

CORRECTION . . . AND HOW!

Last Thursday, Manager Will Harper of the *Empress* "read" a copy of the *Empress* to the lunch hour of the editor of the *Courier* when, in no uncertain terms, he vehemently declared that the *Courier* was quite definitely wrong in saying that the Kelowna Aquatic Association had accepted here impossible. Both Vancouver and Victoria no doubt could raise the \$5,000 necessary to stage the meet, but proper facilities were wanting in both cities where indoor winter competitions have been more popular.

The Kelowna Aquatic Association has high hopes that a number of the Kelowna Aquatic Association members will be available for the Regatta en route home, and their presence would make headlines and give the local press invaluable publicity.

DUNAWAY HEADS CITY S.P.C.A.

Executive Chosen To Carry On Work Of Society

F. Dunaway was elected President of the Kelowna branch of the Society for the Prevention of Cruelty to Animals at a meeting held on Monday night in the Board of Trade room. Other officers are: Harry Mitchell, Vice-President; Mrs. W. R. Foster, Secretary; H. Marshall, Inspector; members of Executive, O. L. Jones, H. Tutt, Mrs. E. W. Barton, Miss I. Hay, M. Johnson and H. Marshall.

A number of matters were discussed and the executive to look into such subjects as the care and handling of domestic animals, cattle and horses, and the preservation of wild life.

Great interest was shown by those present in the various aspects of animal welfare work, and it is hoped that a greater vigilance will be observed by the increased membership for the protection and welfare of all dumb animals.

SIGHTS SUB, SINKS SAME

Flight Lieutenant John Gowan, brother of Leo Gowan of the *Courier* staff, is reported as getting a Japanese submarine recently in the Indian Ocean. He was a pilot of a reconnaissance bomber based in India, which sighted the sub, and a direct hit was scored which finished the undersea raider. Flt. Lt. Gowan has been with a Far Eastern R.A.F. squadron for two years.

PLAN KELOWNA AND DISTRICT AIR COUNCIL

Board of Trade Initiates Meeting of Civic Groups To Plan For Future

Following formation of the Interior of B. C. Aviation Council last week in Vernon, the executive of the Kelowna Board of Trade has decided to invite representatives from civic groups, the Kelowna City Council, the Junior Board of Trade and other civic groups, to discuss formation of a Kelowna and District Aviation Council.

Purpose of the local Council would be to co-ordinate all groups behind development of post-war aviation in the Kelowna district and to lay plans for construction of a municipal airport serving the central Okanagan.

President R. Whillis pointed out that Kamloops and Penticton have been fortunate in having their own aviation clubs, the K.C.A.F. and the T.C.A. respectively, and that, unless Kelowna starts planning for the future now, the community may be passed over in future expansion of air traffic.

PETTY OFFICER LISTED MISSING AFTER SINKING

Strong Hope That C.P.O. John Rennie Is Prisoner of War

Mr. and Mrs. W. H. Rennie have received the news that their son, Chief Petty Officer John Rennie, is reported missing from H.M.C.S. Athabaskan. However, a friend, who has been to Naval Department Headquarters at Ottawa, has wired: "Ascertained very good prospect John and others were rescued from a sinking safely and detained by Huns."

C.P.O. Rennie joined the Royal Canadian Navy in September, 1937, and has served on a number of ships, including H.M.C.S. Fraser, Assiniboine, Cobalt, Rimouski and Athabaskan. He also was instructor for some time at the H.M.C.S. Niobe, Naval Headquarters in Scotland. He had served with the Athabaskan since her commissioning last year, and from a letter received from him by his parents, dated April 22nd, he had just been promoted to Chief Petty Officer.

EASTERN SWIM STARS MAY COMPETE HERE

Dominion Championships Will Be Held At Coast In July

The Canadian Amateur Swimming Association has just concluded its annual meeting in Winnipeg, and press and radio releases state that the Dominion championships will be held "somewhere in B. C." July 20-22 next.

The failure to designate the city where the meet is to be held has created a state of mystery and swimming fans are wondering just what it is all about. It was known that Vancouver, Victoria or Kelowna could have the championships this year, but the expense involved made acceptance here impossible. Both Vancouver and Victoria no doubt could raise the \$5,000 necessary to stage the meet, but proper facilities were wanting in both cities where indoor winter competitions have been more popular.

The Kelowna Aquatic Association has high hopes that a number of the Kelowna Aquatic Association members will be available for the Regatta en route home, and their presence would make headlines and give the local press invaluable publicity.

MUST OBSERVE REGULATIONS

Workers Must Report At Nearest Selective Service Office Within Seven Days

The Kelowna Selective Service office reports that there is a sharp increase in demand for essential services and for additional workers.

The majority of workers are co-operating with the Government in regard to regulations, but apparently some workers are avoiding the seven day rule. Every man who holds a separation permit from his last employer must report at the nearest Selective Service office within seven days. Men who neglect to comply with this rule are liable to prosecution, officials point out, and a careful check of all unemployed in the city is being made.

GARDNER HEADS TENNIS CLUB

Veteran Player Again Elected President—Courts Open

The annual meeting of the Kelowna Lawn Tennis Club was held last Tuesday evening, when H. G. M. Gardner was returned to office as president, and S. R. Davis was elected vice-president.

Committee members are Mrs. Brunette, Mrs. Van Der Vliet, L. Hayes, F. W. Pridham, A. Sutton and E. Winter.

F. Laxon was elected secretary-treasurer.

The courts are now open for play and applications for membership will be received by the secretary or any member of the committee.

McGill President, Finch Manager of Kelowna Aquatic

Resignation Of Jack Treadgold As Secretary-Manager And Director Makes Change Necessary—Eland Again Vice-President—Secretary And Treasurer Will Take Load From Manager's Shoulders—Rowcliffe Slated For Lifesaver And Caretaker—Opening June Eighth

Premises Being Redecorated for Opening Dance

AT a special reorganization meeting of the Kelowna Aquatic Association directorate, held in the club premises last Monday, Wilson McGill was elected president of the Association and Gordon L. Finch took over the duties of manager of the Aquatic. G. R. Eland was elected vice-president, the position which he held last year.

The directors were faced with a difficult problem when a letter was read from former Secretary-Manager J. Treadgold resigning his position as manager and director of the Association. President G. L. Finch agreed to assume the duties vacated by Mr. Treadgold and his resignation as president was accepted, and Wilson McGill was elected to head the organization for the current year.

The new Association manager recommended a change in the administration of his office, which was approved by the meeting. It was pointed out that the manager's duties had become greatly enlarged owing to the expansion of Aquatic activities and the expansion of the annual Kelowna International Regatta. It past years the manager has acted as secretary and treasurer in addition to his duties as administrative head. Mr. Finch recommended that a secretary and a treasurer be appointed to take over the duties of these offices under his direction.

After considerable discussion, the directors agreed that the change would facilitate operation and increase efficiency. Mr. Finch had recommended the appointment of Fred Campbell, well known chartered accountant and a director of the Association, as treasurer, and Miss Audrey Huggs as secretary. These appointments were confirmed by the directors, and the manager will be free to supervise the management of the Aquatic and the Regatta without spending a lot of time on detail administrative work.

The manager will be responsible for the work of the two appointees, and their assumption of the duties of treasurer and secretary will not result in any increase in salaries, as a portion of the honorarium previously paid to the secretary-manager will be allocated to them for performance of the work involved.

The directors accepted the resignation of Jack Treadgold with regret, as his experience and ability as secretary-manager would have been of great value to the Association. The decision of former President Gordon L. Finch to take over the manager's work was greeted with great satisfaction by the directors, and Mr. Finch's experience secured as president during the past two years will be invaluable in his new position.

Wilson McGill was elected a director last year, with his enthusiasm and administrative ability ensure a successful year for the Kelowna Aquatic Association.

Appointment of a full-time caretaker was approved by the meeting, and it is hoped that the services of C. R. "Stub" Rowcliffe can be secured. The directors agreed that it was essential that the boats and other equipment should be maintained in first class condition during the summer and that life guarding should have more direct supervision. Mr. Rowcliffe will act as senior lifeguard with the assistance of Pat Sargent and Barbara Turner, who carried out the duties of lifeguard last year without the assistance of a senior lifeguard. The meeting expressed its satisfaction at the possibility of getting Mr. Rowcliffe's services and his acceptance of the position will contribute greatly to the efficient operation of the Association's activities.

A new clinker built rowboat is being purchased to add to the boats for hire, and at least seven boats will be available, with the possibility that two more will be secured. The present boats are being renovated and placed in first class shape in readiness for the fishing season and the opening of the Trout Derby.

The pavilion will be redecorated before the opening Gyro dance on May 24th, and a new verandah floor is being laid in preparation for the busiest Aquatic season on record.

The directors heard with regret that Mrs. Chamberlain, who had guarded the portals of the club so well, was leaving the city.

Turn to Page 4, Story 1

VERNON ASSIZES

A number of Kelowna citizens have been called for jury duty at the sittings of the spring Assize Court in Vernon.

Yesterday afternoon, Joseph Kepes, Jr., of Kelowna, went on trial on a charge of manslaughter as a result of the death of John Kupper, who was hit by a car driven by the accused on the Vernon road some weeks ago.

D. C. Fillmore is defending Kepes and Gordon Lindsay is the Crown prosecutor. Mr. Justice J. O. Wilson is the presiding judge.

April Building Permits Near Forty Thousand Dollar Mark

Large Number Of New Homes Included In Permits Issued At City Office

Permits for construction of ten homes and further permits for additions and alterations to nine other houses boosted the building total for April to \$37,345, continuing the building expansion which has marked the past three months.

The largest permit was for \$5,800, covering construction of a residence for Mrs. M. M. Pettigrew.

Following is a complete list of permits issued at the City office during the past month:

Chris Weentz, addition to residence, \$450; Mrs. A. E. Burns, play house, \$20; J. J. Ladd, enclosure verandah, \$50; H. W. Wilson, garage, \$150; L. R. Walrod, residence, \$1,500; say, residence, \$2,000.

D. G. Loane, alterations to store front, \$200; Mrs. E. R. Rankin, addition to residence, \$300; C. Hardwick, addition to residence, \$100; Mrs. J. C. Bucholtz, residence, \$3,800; Mrs. M. M. Pettigrew, residence, \$5,800; C. Hardie, garage, \$75; E. Kirschner, residence, \$2,500; J. E. and L. Butcher, addition to residence, \$100; Fred Bieler, rebuild residence, \$600; J. M. Jones, residence, \$3,250; John Janci, addition to residence, \$400; Chas. Kirschner, residence, \$3,400; Milo Hesselberg, addition to residence, \$800; O. C. Cook, garage, \$75; Mrs. H. Johnson, addition to residence, \$800; F. C. Mayer, residence, \$2,200; Quong Jim, repairs, \$500; J. L. Bowering, billboard, \$75; W. R. Maxson, residence, \$4,000; R. Lingh, residence, \$2,800; W. H. and D. Fowler, alterations and additions, \$100; F. W. Lind-say, residence, \$2,000.

OVERSEAS PARCELS
ARE PACKED BY
PEACHLAND GROUP

Service Men Receive Articles Every Three Months From Friends

Parcels were packed for the boys overseas on Thursday, April 27. Mrs. T. Twinn, Miss M. Goldham, Mrs. G. Topham, Mrs. C. T. Redstone and Mrs. Bradbury, Sr., assisted the committee. The parcels each contained one can sardines, one packet razor blades, two chocolate bars, one packet cigarettes, one packet tobacco, one packet cocoa, one box cookies, one bar soap, one pair shoe laces, one tin fish, one packet gum, one packet lemonade powder, one packet, raisins, one tin fruit, one box Oxo cubes, the value of each parcel being \$2.45. The committee wish to thank the different organizations and people in the community who so generously contributed towards these parcels, which are sent every three months. The boys receiving the gifts are: W.O. Don Miller, R.C.A.F., P.O. W. E. Clements, J. R. Davis, Pte. R. Grogan, Cpl. A. Goldham, Cpl. T. McLaughlin, Pte. W. A. B. Earl, Pte. C. H. Inglis, Tpr. E. Bradbury, Pte. A. W. Garraway, L/Cpl. W. T. Roberts, all in Italy; Tpr. C. Topham, B.N.A.F., Pte. J. G. Sander, C.A.O.; Sgt. D. A. K. Fuls, C.A.O.; F/O L. Sutherland, R.C.A.F.; Sgt. A. S. Wright, C.A.O.; Pte. A. G. Kopp, C.A.O.; Pte. J. MacKinnon, A.O.; L/Cpl. R. C. Redstone, C.A.O.; L/Cpl. G. A. Ekins, C.A.O.; Cpl. R. M. Elliott, R.C.A.F. (W.D.); Spr. H. C. Stump, C.A.O.; Tpr. T. Topham, C.A.O.; Leading Seaman J. Gaynor.

A National Film Board series was shown Wednesday, April 26, in the Canadian Legion Hall. Included in the pictures were "Skysweeps," "Hands for Harvest," "Three Little Bruins" and "Roads South." A special feature of the evening was the showing of "Figure Skating" by Doreen Dutton. One of these was taken three years ago, when she skated at the World's Figure Skating Convention in St. Paul, and the other was taken in Ottawa this year. Doreen is a member of the Glenora Club in Calgary and of the Canadian Amateur Figure Skating Association. She has her Silver Medal and is rated seventh in the United States. She was runner-up for Canada's Junior title in 1944, has just completed her biggest carnival at Schumacher, Ont., and is now training to take her Gold Medal test. Doreen is eighteen and has finished her Grade 12. Mrs. Dutton is visiting at the home of her sister, Mrs. N. W. Hill, in Peachland, and had the films with her, and they were very much enjoyed.

The sudden death of Allan Wilson occurred at his home in Peachland on Friday morning, April 28.

Word has been received that F/O F. H. Mills, R.C.A.F., was reported missing on April 19.

The monthly meeting of the Board of Stewards of the United Church was held Wednesday of last week. The Peachland Board then journeyed to Westbank to attend the joint quarterly Board meeting. Rev. Dr. A. D. MacKinnon was indisposed and unable to attend.

Sgt. A. Cousins and Mrs. Cousins were visitors at the home of Mr. and Mrs. D. C. Cousins last week.

L. H. Weston returned from the Coast on Wednesday, April 26.

Mrs. D. Seaton, of Vernon, was a weekend visitor at the home of Mr. and Mrs. W. D. Miller.

Mrs. L. H. Hill left Friday to spend a few days in Vernon with

"Surveyors know a secret
for keeping babies healthy!"

SAYS ELSIE: "During long trips into the bush, surveyors need milk. So they just take along KLIM Powdered Milk. Mixed with water they have fresh creamy milk as needed. Why not use this simple way to help baby grow sturdy? Consult your doctor about KLIM for your baby!"

More reasons why you'll like KLIM:

- 1 KLIM is pasteurized whole milk—powdered. Only the natural moisture has been removed. All the cream is left in.
- 2 KLIM keeps fresh indefinitely in its vacuum-sealed container. Even after opening, KLIM keeps fresh and sweet for a long time. (Note: Be sure to replace lid tightly.)
- 3 KLIM is light, easy to carry. Saves space. Ready for immediate use. Just follow the simple directions printed on the can.

KLIM is a vital product required in large quantities for our fighting forces everywhere. Naturally the amount for civilian use is restricted. However—for infant feeding—if you have difficulty in getting a sufficient supply have your dealer get in touch with us.

her husband, Lieut. L. H. Hill.

Mrs. T. Twinn was an overnight visitor in Westbank on Friday.

Miss B. Seaton spent the weekend at the home of Mr. and Mrs. W. D. Miller.

C. C. Heighway left for the Coast on Tuesday, April 25.

Mrs. H. Willis, of Vancouver, spent the weekend at the home of her mother, Mrs. J. A. Miller.

At a special Communion held in the Peachland and Westbank United Churches on Sunday last, five new members were received into full communion. A congregational reception, under the auspices of the ladies' organizations, is to be held soon to welcome the 38 members received within the last month. Rev. Dr. A. D. MacKinnon conducted the services on Sunday.

PRETTY WEDDING
AT CHURCH MANSE

Ella Maude Patterson Is Bride of David R. Inches

A wedding of interest throughout the valley took place on Wednesday afternoon, April 26th, at 3:30 o'clock, at the United Church Manse, Glenn Avenue, when Ella Maude Patterson became the bride of David R. Inches, Trepanier. Dr. M. W. Lees performed the ceremony.

The bride chose for her wedding ensemble an afternoon dress of queens blue, offset by a hat of navy blue, and further accessories in tone. She wore a corsage of pink and white carnations.

Miss Lily Patterson, sister of the bride, was her only attendant, and she wore a becoming frock of gold, with her accessories of brown. Her corsage was of pink carnations.

A. Copeland, Trepanier, was the groomsmen.

A reception followed the ceremony for immediate relatives, at the apartment of Miss Lily Patterson, on Bernard Avenue.

After a short honeymoon spent in the valley, Mr. and Mrs. Inches will reside at Trepanier.

TWO KELOWNA
AIRMEN ALIVE

P.O. Ralph Herbert Victim Of Unfortunate Mistake — Filt. Sgt. Gordon Munro Safe

All Kelowna joined with the parents of two Kelowna lads in uttering a prayer of thanksgiving last week when their boys were miraculously brought back from the dead.

P.O. Ralph Herbert, son of Mr. and Mrs. Gordon D. Herbert, was reported killed in action last Thursday. His brother, Gordon M. Herbert, was reported killed after a raid last October, and the loss of a second son shocked the community.

A few hours later the family were notified personally by an R.C.A.F. representative that there had been an unfortunate mistake and that Ralph in reality was safe and well. Apparently another Air Force man of the same name had been lost and a mix-up had occurred in transmitting the cable of identification.

The second piece of good news was received indirectly by Mrs. W. J. Munro, whose son, Filt. Sgt. Gordon J. Munro, was reported missing several weeks ago. A letter written from a Nazi prison camp reached a friend in the city saying that he was alive and well. No official word has been received by his mother and apparently the German authorities have not noted his capture. However, the letter was sufficient to assure his survival. His father, W. J. Munro, passed away recently after a long illness, and news of her son's safety served to assuage somewhat the grief caused by her husband's decease.

Sometimes miracles do happen.

Though laborious attempts are being made to recondition the crippled battle cruiser "Tirpitz" in Kaa Fjord, not a stroke of work has been done for 18 months to repair the "Gneisenau," sister ship to the sunken "Scharnhorst." She lies with her bows and gun turrets dismantled in the Polish port of Gdynia, which has replaced bomb-battered Kiel as Germany's main naval base.

ANNOUNCEMENT

The Occidental Life Insurance Company, with head office for Canada at London, Ontario, takes pleasure in announcing the appointment of

MR. A. H. DE MARA
as their district representative.

Sometimes Scarce . . .

Some day soon, we hope, war-time restrictions will be over and you can buy all you want.

SUMMER CLOSING
OF PLANTS TO
BE CURTAILED

Ottawa Frowns On Shut Downs For Overhauls

According to a statement issued by Hon. Humphrey Mitchell, Minister of Labor, special instructions have been sent to Employment and Selective Service offices across Canada with a view to curtailing the temporary closing down of plants on war production and essential civilian production during the course of the summer.

The Labor Minister points out that in normal times a good many plants have developed the practice of closing down for several days—often for a few weeks—for various reasons, such as to give a vacation to employees or to carry out overhauls.

The Minister stated that, as labor shortages are expected to be pronounced again this summer, the Government expects that firms will agree to examine their policy carefully before going ahead with any temporary plant shut-down. While there is no desire on the part of the Government to interfere with established and reasonable vacation practices, Selective Service cannot undertake to guarantee the return of

workers to plants following unwarranted shut-downs. Moreover, hardship for those who lose wages during these temporary lay-offs is frequently involved.

The Minister wishes to be understood as appealing to all employers who may have under consideration any plan for a temporary shut-down to discuss the matter with the nearest Employment and Selective Service office before reaching a final decision, in order to ensure that Selective Service regulations may not be infringed, and also to ensure that labor shortage difficulties will not arise out of the undertaking to guarantee the return of

2 KELOWNA BOMBED

From Page 1, Column 4

There is always a pile of garments waiting to be cleaned at both cleaners and the workroom, and keeping up with the output of the workers doing alterations is quite a headache. Every piece of material has to be cleaned before it is handled by the sewers and cutters.

As in all efficient organizations, members having special qualifications are assigned special work, and practice has turned them into experts in their individual jobs. The writer was shown a charming child's two-piece flannel dress which had been transformed from an old man's dressing gown. It was smartly designed and will bring joy to some British child. Each week one of the members completes a "shelter bag" which is shipped overseas with each shipment. In it are a variety of articles and clothing for a baby, and hundreds of mothers in British air raid shelters are thankful to Kelowna for these vital useful kits.

The Bombed Britons need clothing and magazines from many points, but the organization can always use more clothing of all types. No resident of the Okanagan should ever throw away a scrap of cloth, as the workers can do miracles with any and all bits of used cloth. Knitters are always needed to make sweaters and socks, and the Miners Fund workers are doing a splendid job in supplying the minesweepers in winter patrol with warm knitted headpieces and other garments. Every day in each of the year after year, the members carry on the work with a minimum of publicity. This tribute to their work is long overdue and is most richly deserved. They are justly proud of the fact that their organization exceeds in output a similar one in any Canadian city, and every resident of the Okanagan and of the province should join in saying "Well done!"

Shipping of the articles is no small job and this is handled by the O. L. Jones furniture store. In connection with the work Mr. Jones pointed out that it is estimated that over one million additional articles will be needed to supply the demands brought about by the war. All types of children's clothing are urgently required in addition to hundreds of thousands of suits, pyjamas, underwear, sweaters, shoes, shirts, windbreakers, etc. for adult use. There is also a call for hospital supplies and over 200,000 pneumonia jackets, compresses, bandages and masks are on call from organizations across Canada. Whatever the response from other cities, it is certain that Kelowna's Bombed Britons will more than play its part and will hold the lead over its rivals throughout the Dominion.

1 MCGILL PRESIDENT

From Page 1, Column 8

efficiently for some years, would not be able to carry on this year. She has been a great asset to the Association and her place will be most difficult to fill. It is hoped that Mrs. Love will again agree to manage the Association's tea house, which was such a success last year. Opening day of the Aquatic has been set for June 8, and the Ladies' Auxiliary is preparing for a gala afternoon and evening's entertainment to mark the occasion.

Company H.Q. has been moved from the old location, 225 Bernard Avenue, next to the C.P. Express office.

WARMER DAYS, NIGHTS COOL DURING APRIL

Less Than Inch Of Rain Last Month—Some Warm Days Recorded

The weather report for April, just released by Government Weather Observer Dave Chapman, indicates that the month varied little from similar periods in 1942 and 1943. There was slightly more rainfall this year than last, but less than one inch fell during the month.

The average maximum temperature was 66.6, which was above 1943, when an average of 58.9 was recorded.

Nights stayed cool, but there were only five recordings below freezing point and the average minimum was 36.9.

Following is a complete record of temperatures and rainfall during April:

April	Max.	Min.	Rain
1	59	30	
2	64	29	
3	58	31

LETTERS TO THE EDITOR

VICTORY LOAN FLAGS

Empress Theatre,

Kelowna, 1st May, 1944.

To the Editor, Kelowna Courier: I would like to offer some comment on the article which appeared in last week's edition of your paper under the headline "THREE BUSINESSES MARK LOAN" and in which article you seemed quite disgusted about the lack of patriotic demonstration as regards the flag flying in connection with this, our Sixth Victory Loan campaign.

True, if the patriotism of our merchants is to be judged by the display of flags, then we must admit they have failed, but I feel sure that the totals of our canvasses will be counted the merchants, as usual, will not be found wanting. There is an old and very true saying that "Example is powerful," and I think that had you put out your own flag first before snapping others, it would have been better business, for I notice that even now, nearly a week after your article, your flag is not yet up.

Furthermore, before any one condemns or criticizes another it is considered the proper thing to be armed with at least the truth or facts, and in this regard I would correct you on the flags at the Empress, as you would have us believe they are never taken in. The flags now flying were taken in after Labor Day last September and carefully put away to be put out the evening before this Loan drive, clean and bright as flags ought to be.

In conclusion, I would hereby notify you that during the summer months you will see the Canadian and American flags flying on the marquee in front of the Empress Theatre, as in the past, and in tending an international "Welcome" to any visiting Americans, and bright flags always please the eye, even though in this case it could be considered somewhat irregular by the book of rules.

Thanks in anticipation of your publishing this letter.

 Yours for co-operation,
 WILL HARPER,
 Manager, Empress Theatre.

PROTEST MEETING

Trepianer, B. C., April 27, 1944.

To the Editor, Kelowna Courier: W. W. Robertson, a protest meeting announcement asks in part, "Who is afraid of the truth?" and (rather ambiguously) "Who wants these things (sic) kept in the dark?"

Robertson is in the habit of doing a usually, besides lawbreakers, liars and all underground scoundrels, and to both queries, it should be remembered that racial or religious abuse is seldom true—far oftener it is falsehood or twisted fact.

The notice alludes to libel laws as adequate to protect persons and institutions from the obvious dangers Mr. Macdonald's bill is designed to preclude. This is mistaken, for libel laws are not preventive but retributive, and that only at enormous, usually prohibitive, expense. This bill, like that which makes murder a capital crime, would either deter or punish. It is a sorely-needed and long-overdue reform in Canadian legislation; its motive, racial or religious, tolerance and justice, safeguarding any decent citizen from its misapplication. Libel law is obviously important in nine cases out of ten, and against the hellish "worm which corrupts" and causes discord between races or individuals, Canada offers no real protection.

What has the exponent of truth, of brotherhood, of Christianity, to fear from this bill? Haven't we had war enough? As to those who do fear it—the "hard labor" it proposes would not hurt them! No race is perfect, no creedal profession yet lived to its ideal, unless by its Founder. To politicize race or religion is the refuge of the ignorant or the coward. Our main job is world unity, which can only spring

BOYSCOUT COLUMN

1st Kelowna Troop Troop First! Self Last!

 Orders for week commencing Friday, the 5th of May, 1944:
 Duties: Orderly Patrol for week, Lynx; next for duty, Otters.

Rally: The Troop will rally at the Scout Hall on Tuesday, the 9th of May, at 7.15 p.m.

We were greatly distressed to learn of the unfortunate accident which last week to Miss Sylvia Maude-Roxby, Assistant Cubmaster to and daughter of Akela of our Pack, Mrs. O. V. Maude-Roxby. The horse on which she was riding took a bad fall, catapulting her over its head on to the hard gravel and rendering her unconscious, from which she has not, at the moment of writing, recovered except for very brief intervals. We are all pulling hard for her quick and complete recovery and wish to express our very deep sympathy to Akela and her family in this anxious time.

It was a great shock to us last week when word came over the wires that our former Patrol Leader, P/O Ralph Herbert, had been lost in action, and great and intense was our relief when it developed the next day that the message was incorrect and that Ralph was still well and on the job. He is one of our young Canadians that we need so much for the part Canada is to play in the world after our planes are able to cease their present so sad and so necessary work of destruction.

We had a good turn-out of fifteen altogether for our delayed Easter hike on Saturday afternoon last, and we had a most enjoyable and happy outing. We wish to thank Second Vice, Hush of the 1st Rutland Fox Patrol for acting as our guide from Rutland on, as without him we would have spent too much time in searching for the right place to descend the exceedingly steep bank of Mission Creek Canyon to the shore of Mission Creek at the base of the Pinnacle, or, as the Indians used to call it, the "Klootchman".

As it was, we just had eight time to cook our suppers, eat them and wash up before starting back again. We left the Scout Hall on our bicycles about 2.30 and after returning at Rutland, where the ice-cream and pop sales were considerably boosted. We were able to ride for about three miles or so past Rutland and then parked our wheels and hiked. The bank of the Canyon looks so steep from the top of the Canyon looking down, or from the bottom looking up, that one could not help wishing for a helicopter for the rest of the journey, but, with the assistance of many grunts and slides, we made both the descent and ascent without any casualties, but we did appreciate the assistance of the canyon and a push from behind! We bivouacked just at the base of the Pinnacle, where Canyon Creek runs into Mission Creek, both of whose waters are now quite muddy but not yet in flood. Through the scarcity of films, no cameras were brought along, which is perhaps just as well. The country, with its blooming sunflowers, shrubs and soft fruit trees, is looking very beautiful, and the wood ticks were fairly well behaved. We got home again about 7.30 in the evening, having the odd bicycle spill on the downhill road back, to which for further details reference might be made in particular to Second Johnny Kerr. Second Class fire lighting and cooking tests were passed by each of our four trainees, Lyon and Mephman.

Special patrol duties for the 4th are as follows: Decorating, Bluebirds; Reception, Hummingbirds and Larks; Brownies, Orioles; Entertainment, Canaries; Orderly, Nightingales. It was also decided that invitations be sent to parents and friends to attend the Rally.

Saturday evening, at 7.00 p.m., in the Scout Hall, Miss Hannah will hold training class for Guiders, Patrol Leaders and Seconds, and on Sunday afternoon, at 3.30, there will be a meeting similar to a "camp-fire," in the Captain's garden, for Guiders and Guides of the District.

We are glad to hear that the Rutland Company and Pack are coming to the Rally, also the Okanagan Mission Company, and we hope that the Windfield Pack will be with us too, also members of the local associations. An interesting and entertaining program is being arranged, with each Company and Pack taking part.

At last Thursday's Rally there was a good attendance. Uniforms and appearance showed improvement, but lanyards need attention. We had a sing-song practice and some signalling. The latter showed that the Morse code needs reviewing. See that this is done before May 4.

The Patrol standing in the Inter-Patrol competition to date is as follows: Hummingbirds first with 63 points, Canaries second with 67, Bluebirds third with 67, Larks 54, Nightingales 58, and Orioles 54 points.

We welcomed Helen Saucier as a recruit to the Company.

The Rally, this evening, Thursday, May 4, at 7.00 p.m., and Saturday, May 6, at 4.00 p.m., in the Scout Hall, Orderly Patrol, Nightingales.

At the Court of Honor held at the Captain's home on April 26, plans were made for the forthcoming visit on May 4 and 5 of the Provincial Commissioner, Miss Illingworth, and the Director of Training for B.C., Miss Hannah.

Orders for week: Next Rally, this evening, Thursday, May 4, at 7.00 p.m., and Saturday, May 6, at 4.00 p.m., in the Scout Hall, Orderly Patrol, Nightingales.

At the Court of Honor held at the Captain's home on April 26, plans were made for the forthcoming visit on May 4 and 5 of the Provincial Commissioner, Miss Illingworth, and the Director of Training for B.C., Miss Hannah.

Special patrol duties for the 4th are as follows: Decorating, Bluebirds; Reception, Hummingbirds and Larks; Brownies, Orioles; Entertainment, Canaries; Orderly, Nightingales. It was also decided that invitations be sent to parents and friends to attend the Rally.

Saturday evening, at 7.00 p.m., in the Scout Hall, Miss Hannah will hold training class for Guiders, Patrol Leaders and Seconds, and on Sunday afternoon, at 3.30, there will be a meeting similar to a "camp-fire," in the Captain's garden, for Guiders and Guides of the District.

We are glad to hear that the Rutland Company and Pack are coming to the Rally, also the Okanagan Mission Company, and we hope that the Windfield Pack will be with us too, also members of the local associations. An interesting and entertaining program is being arranged, with each Company and Pack taking part.

At last Thursday's Rally there was a good attendance. Uniforms and appearance showed improvement, but lanyards need attention. We had a sing-song practice and some signalling. The latter showed that the Morse code needs reviewing. See that this is done before May 4.

The Patrol standing in the Inter-Patrol competition to date is as follows: Hummingbirds first with 63 points, Canaries second with 67, Bluebirds third with 67, Larks 54, Nightingales 58, and Orioles 54 points.

We welcomed Helen Saucier as a recruit to the Company.

The Rally, this evening, Thursday, May 4, at 7.00 p.m., and Saturday, May 6, at 4.00 p.m., in the Scout Hall, Orderly Patrol, Nightingales.

At the Court of Honor held at the Captain's home on April 26, plans were made for the forthcoming visit on May 4 and 5 of the Provincial Commissioner, Miss Illingworth, and the Director of Training for B.C., Miss Hannah.

Special patrol duties for the

Classified Advertisements

First twenty-five words, fifty cents; additional words one cent each.
If copy is accompanied by cash or account is paid within two weeks from date of issue, a discount of twenty-five cents will be made. Thus a twenty-five word advertisement accompanied by cash or paid within two weeks costs twenty-five cents.
Minimum charge, 25c.
When it is desired that replies be addressed to a box at The Courier Office, an additional charge of ten cents is made.

CRICKET COMMENCES NEXT SUNDAY
Kelowna cricket activities will get under way next Sunday, when teams chosen on the field by the Captain and Vice-Captain will play the first match of the season. All those interested are invited to be at the ground at 1.30 p.m., and they will be assured of a game. The schedule for the Spencer Cup, while tentatively drawn up, depends to a great extent on the ability of the Army camp at Vernon to field a team this year. So far, no definite word has been received from them. The first Spencer Cup match will be played in the Kelowna City Park on Sunday, May 21, when the Vernon City team will be the visitors. 10-10c

Mrs. T. Jones, Vancouver, is a guest of the Royal Anne Hotel.

Mrs. J. J. Ladd returned on Saturday from a short holiday spent at Vancouver.

According to the Canadian Postal Corps, the best way to test a parcel that is being sent to a soldier overseas is to stand on it. If it won't take the average person's weight, it certainly won't take the weight of several thousand bulging mail bags.

The de Havilland Mosquito, plywood fighter and reconnaissance bomber, which furniture makers in Britain and Canada are helping to manufacture, is now operating with the R.A.F. against the Japanese in Burma.

GLENMORE

Constable Donald Kennedy, R.C.M.P., of Vernon, Alberta, arrived early last week and will spend several weeks leave at the home of his parents, Mr. and Mrs. A. Kennedy.

R. W. Corner, President of the Kelowna Rotary Club, returned home last Thursday after attending the Rotary conference at Victoria. Friday evening in the Community Hall, a large crowd from points all through the Valley gathered to enjoy a fun and a refreshment. Sixty-five members of the armed forces journeyed from Vernon for the occasion and a number of members of the Kelowna Hostess Club were present. Music for dancing was provided by the Serenaders, club members of the local Vice-President, Mrs. Robin Kendall, Treasurer, and Miss Audrey Hughes during the evening. A trifle over \$100 was realized, some of which will be donated to the Red Cross.

After several weeks holiday, the Glenmore Red Cross unit will resume work, as before, at the home of Mrs. R. W. Corner, on Thursday, May 11.

Cherry, peach, apricot and pear blossoms are now at their best, and growers are hurrying to get their apple orchards sprayed before they come out in full bloom, which may be in another week or ten days, if the weather keeps warm.

SUCCESSFUL DANCE HELD AT WESTBANK

Large Sum Realized For War Effort At Community Hall

Westbank Community Club was host at a most successful dance last Friday evening in the Community Hall. A large crowd from points all through the Valley gathered to enjoy a fun and a refreshment. Sixty-five members of the armed forces journeyed from Vernon for the occasion and a number of members of the Kelowna Hostess Club were present. Music for dancing was provided by the Serenaders, club members of the local Vice-President, Mrs. Robin Kendall, Treasurer, and Miss Audrey Hughes during the evening. A trifle over \$100 was realized, some of which will be donated to the Red Cross.

Cpl. Art Johnson, of Moose Jaw, is home on two weeks furlough, to be followed by four weeks leave. Prior to his arrival in Westbank, he spent three weeks in hospital with an acute attack of jaundice.

Cpl. and Mrs. E. Northeast have arrived at the home of the latter's parents, Mr. and Mrs. J. Basham, Sr., where Mrs. Northeast will spend a month recuperating from a major operation she underwent at the Coast.

At a recent meeting of the Westbank Chamber of Commerce an interesting report was submitted by J. A. Gellatly, delegate to the reforestation convention at Kelowna. It was announced that upon the recent visit of the radio interference inspector here no source of trouble was uncovered. Reception seems much better lately, and the static in the past is now being blamed to a faulty generator in use at the time at the Westbank Utility plant. It was stated that an effort was being made to obtain an express office in Westbank to alleviate the present inconvenience in freight shipping.

Mr. and Mrs. A. Bee, missionaries to the Japanese, held a service at the Westbank Gospel Hall last Saturday evening, when a number of local Japanese enjoyed an interesting address and a sing-song.

Mr. and Mrs. Alfred Hopkins, of Vancouver, have been spending a few days in Westbank visiting their father, who is seriously ill at the home of his son and daughter-in-law, Mr. and Mrs. Albert Hopkins.

Friends of Vernon Hopkins, who is attending Lord Byng High School, Vancouver, will be interested to know that he has passed successfully in all subjects, although he only commenced the year's work at the end of January.

Mrs. M. McGregor, principal of Westbank School, reports steady progress in the lunch room. Pupils seem to enjoy their hot dishes and to get fun from their preparation. A teacher or other grown-up supervises each noon hour's repast.

The monthly meeting of the Westbank Women's Institute was held at the home of Mrs. A. Duszik last Friday afternoon. In the absence of the President, Mrs. D. Gellatly, Vice-President Mrs. Duszik took the chair. Also absent was the secretary, Mrs. T. B. Reece, for whom Mrs. Jim Ingram officiated. Roll call was a plant or shrub for the Cemetery clean-up day, May 6, and plans for that day were discussed during the meeting. Every one planning to help in the clean-up is asked to bring either a hoe or a rake for their own use. Tom Harker, who is in charge of the Cemetery grounds, considered it better to wait until fall for the planting of extra trees, plants and shrubs there, since there is no water available during the dry months for their care.

The irrigation ditch owned by a number of local farmers, among whom are M. Lundin, M. E. G. Pritchard, M. Gorman and J. I. Webber, has been causing these men some concern for several years due to the large amount of water escaping through erosion, sandy land and seepage. Several large sloughs and deep wells below the ditch owe their contents to the irrigation supply flowing above. This year, a meeting was held to decide what could be done to keep the water for the purpose for which it was intended. A ton of cement, which was estimated, would line the ditch for approximately 125 feet, has been purchased and will be applied to the worst part. If this proves satisfactory, it is intended to apply the same coating to another large stretch extending from the Glenrosa road, opposite Shelter's, to join the tract treated this year. The owners figure that about 95 per cent of their water will be saved for use by this method.

Mrs. M. E. G. Pritchard has been a patient in the Kelowna Hospital recently.

Mrs. Aloise Kaporel, of Glenora, was a patient in the Kelowna Hospital last week, returning home on Saturday afternoon.

L. Lundin, of Westbank, is a patient in the Kelowna Hospital.

Hilary Carre, a student at the University of B. C., spent a week last week at his parents, Mr. and Mrs. R. S. Carre, of Westbank, prior to proceeding to Vernon to take his military training.

Mrs. T. B. Reece left last week for the Coast where she will spend a short holiday with her daughter, Gwyneth, on the latter's completion of her first year at the University of B. C.

Allan Davidson is at present a patient in the Kelowna Hospital.

The St. George's W. A. held a combined tea and sale of work at the home of Mrs. Albert Drought last week, when a sum of \$45 was realized by the group. A lovely cloth was raffled at the event and was won by Mrs. Matt Hicks.

Mrs. Minerva Cooper will address a meeting in the Orange Hall here on Monday, May 8 next. The speaker is secretary of the Labor-Progressive Party and was at one time editor of the Western Farmer. Her talk will be on "Victory and the Post-War Program." She is making a tour of the Okanagan and will

MRS. M. AUSTIN HEADS AQUATIC LADIES AUXILIARY

Executive And Committees Chosen To Carry On Work — Tea Will Mark Opening, June 8

At the annual general meeting of the Ladies' Aquatic Auxiliary, held on Monday evening, May 1st, Mrs. M. Austin was the unanimous choice of the members for the presidency for the 1944 season. Mrs. Austin, who served her first year on the committee last year, will be acting as the President. Mrs. Elsa Nordman as Vice-President, Mrs. Robin Kendall as Treasurer, and Miss Audrey Hughes as Secretary.

A committee of eight was elected to act on the executive, and to this committee it is expected that two members from the junior hostesses of the Kelowna Servicemen's Hostess Club will be added. The committee includes: Mrs. Macdonald, Mrs. R. P. MacLean, Mrs. Harold Johnston, Mrs. C. E. Friend, Mrs. R. P. Walrod, Mrs. E. R. Winter, Miss Gwen Macdonald and Miss Christie.

Reports were read by the President, Treasurer and Secretary, a month recapitulating from a major operation she underwent at the Coast.

The Auxiliary appointed committees and conveners for its annual opening tea and sale of handwork, which will be held on Thursday afternoon, June 8th, at the Aquatic, and followed by the first mid-week dance of the season. This will make a full day's entertainment for the reception members and friends of the Aquatic Club.

Mrs. Elsa Nordman was appointed general convener of the affair, assisted by the President and Secretary. Mrs. George Ellis will concur in the tea committee, assisted by Mrs. R. P. Walrod, Mrs. Harold Johnston and Mrs. E. R. Winter. While the decorating committee, under the capable lead of Mrs. R. P. MacLean, consists of the following members, Mrs. Wilson McGill, Mrs. Ivah Gregory, Mrs. George Wilson, Miss Morag Macdonald and Miss Isobel Rhodes.

The usual raffie will be held, and Miss Rosemary King will convene this committee, assisted by Mrs. Ivah Gregory and Miss Marion Clement.

The handwork committee will be headed by Mrs. C. E. Friend and made up by Mrs. Wm. Knowles, Mrs. Dick Stewart, Mrs. Horace Simpson, Mrs. Roy Pollard and Mrs. Mary Austin.

These committees will be added to at the next meeting, which will be held on Monday evening, May 8th, at 7:45, in the Aquatic Lounge, when all lady Aquatic members are asked to attend.

EAST KELOWNA PLANT SALE IS SUCCESSFUL

Annual Event Secures Almost Forty Dollars For Tobacco Fund

The East Kelowna Women's Institute held their annual plant sale at the Community Hall on Wednesday afternoon. The members wish to thank the many people who donated the lovely plants for sale. The home cooking and novelty stalls were a great success. The sum of \$37 was taken, which is for the Overseas Tobacco Fund.

Mrs. F. Thelma, Sr., left last week for a holiday at the Coast.

Mrs. G. Davidson is a visitor at the Coast for a few weeks.

A party of twelve Junior and High School students were entertained at supper and taken to see "Lassie Come Home" by a former resident of the district. A very enjoyable evening was spent. Mrs. G. Strang and Mrs. J. Ferguson accompanied the group.

The Tennis Club held their annual meeting last week. The courts are now ready for play, and several games were played on Sunday.

The Community Hall Society held their annual meeting on Thursday evening. Secretary H. Perry read the financial statement. The members of the Board were re-elected by acclamation. They are: President, T. Carter; Committee, Mrs. S. Olson, Miss G. Porter, G. FitzGerald, T. Dyson, E. Hewlett. Mrs. Spencer Dyson was chosen to fill her husband's place while he is on service.

THIEVES RAID KELLY DOUGLAS

Juveniles Believed Responsible For Theft Of Cigarettes And Candy Last Week

Last Wednesday night, April 26, thieves broke into the Kelly-Douglas warehouse on Haynes Avenue and took a small amount of cigarettes and candy.

Entrance was made through the Pacific Mills office next door, which was undisturbed by the prowlers in their passage.

The type of goods taken seems to indicate that juveniles were involved in the theft, the police state. An investigation is under way to discover the youngsters responsible.

Attend the party's convention to be held in Penticton next Sunday, when a candidate for the Yale riding will be chosen.

LABOR SPEAKER AT ORANGE HALL

Mrs. Minerva Cooper will address a meeting in the Orange Hall here on Monday, May 8 next. The speaker is secretary of the Labor-Progressive Party and was at one time editor of the Western Farmer. Her talk will be on "Victory and the Post-War Program." She is making a tour of the Okanagan and will

It was tough at
Salerno, too!

Do YOU think the going is tough because you have to pay taxes, because you are asked twice a year to invest in Victory Bonds...

It was tough at Salerno—too. It's tough at Cassino, and on the Anzio beach-head—

It is tough dodging flak over smoldering Berlin—

It is tough herding convoys on the raging North Atlantic—

It is tough to be away from home for two, three, four long years... or more.

Let's be realistic. We still have this war to win, and the part we are asked to play is to "Put Victory First"—to invest in Victory Bonds and keep on investing to the limit of our resources until Victory is won.

A Message to Our Customers

We urge all our customers to buy Victory Bonds. There is no better investment. Victory Bonds are as good as cash—the best security you can have for a bank loan when needed—and they earn interest. We have no hesitation in suggesting that our customers withdraw money from their savings accounts to invest still more in Victory Bonds.

THE FUTURE FOR FIGHTERS

Answers to Questions About The Rehabilitation Program for Service Men and Women

Reinstatement in Civil Employment
Q. If ex-service personnel wish to return to the position which they held prior to the war, is there any provision insuring their reinstatement?

A. The Reinstatement in Civil Employment Act was one of the first measures passed. Under this Act, it is laid down that it is then employer's duty, if application is made, to reinstate ex-service personnel who were bona-fide employees for at least three months immediately prior to enlistment.

Q. Is this a blanket ruling or are there any exceptions?
A. Reasonable safeguards, both for the employer and the employee, were made. For instance, if a service personnel was hired in civil employment to replace a man who was already in the Services and the original employee in that position had applied for reinstatement, the original employee has the preference.

Q. Are there any other regulations?

A. Yes. Steps of necessity had to be taken with regard to the possibility of changing economic conditions. For instance, an employer's business might be seriously jeopardized by the war and he might not be able to offer employment which was as good as, or better than, the situation the ex-service man left. In this case, proceedings will not be taken against the employer under the Act if he offers employment under the best possible conditions and if he is not retaining some one else in the position that ex-service personnel left to enter.

Q. Is seniority protected under the Reinstatement in Civil Employment Act?

A. Yes. Ex-service personnel employed in an industry where there are seniority rights must be reinstated with seniority for the period spent in the Services. If there are no seniority rights, the employee must be re-engaged with preference according to the first date of employment and on terms no less favorable than would have prevailed had the period of employment not been interrupted by war service.

Q. What about disabled personnel under this Act?
A. If the employer can show that ex-service personnel are physically or mentally incapable of doing work which he has to offer, the Act does not apply.

Q. Is reinstatement in civil employment a permanent right or is there a time limit?

A. The onus is on the ex-service man to apply for reinstatement within three months after discharge from the forces or from hospital in Canada, or within four months of similar discharge overseas.

Q. Who administers this Act?
A. It is administered by the Department of Labor, and cases of fractions may be reported to the nearest Employment and Selective Service office.

(The next instalment deals with the Post-Discharge Re-establishment Order.)

AVIATION COUNCIL FORMED IN VERNON

B.C. Interior Will Be Represented By Directing Body Headed By C. E. Scanlan

With eyes glued on the future development of aviation in Canada, with special relationship to the post-war period, representatives of City Councils, Municipal Councils and service organizations from the Main Line to Penticton, instituted the formation of the B. C. Interior Aviation Council at a joint supper and business meeting in Vernon on Wednesday night of last week.

In consideration of the background of experience behind the Kamloops delegates who were instrumental in the establishment of an airport in that centre in 1931, and who have continued its function until now it plays a wartime role as an R.C.A.F. base, the gathering favored representatives from Kamloops as leaders of the newly formed Aviation Council in its initial efforts to ensure a place on the future airways of Canada for the Okanagan Valley and Main Line districts.

C. E. Scanlan, former Mayor of Kamloops and now an alderman of that city, who was foremost in the establishment of an airport there, was elected chairman of the committee, with J. S. Stainton and Carson McLeod, both of Kamloops, as secretary and treasurer respectively.

Plans were made to have the constitution of the Council based upon what has been found successful in the case of Kamloops.

Instructions of the chosen officers will likely be sent to the various communities within a few days and by May 15 the appointment of representatives to the Council will be made. The formation of committees of the Council, similar to those operating in Kamloops, will take place at that time.

VERNON HOSPITAL GETS EQUIPMENT

The equipment at the Vernon Jubilee Hospital is now equal to that of hospitals in larger cities, as a further piece of equipment received last week completes the scientific diagnostic apparatus required for practically all purposes.

The recent addition is the gift of Mrs. L. Orr Ewing, of Vernon, and is the latest model of a Victor X-ray electro-cardiograph for diagnosing certain heart conditions which cannot be determined in any other way. Mrs. Orr Ewing signified early in the year that she was making this gift, and the order was placed but, owing to demands for the armed services, delivery was made only a few days ago. The machine is now in operation.

Another function of the cardiograph is that rheumatic fever in children can be gauged by it.

Great satisfaction is expressed by Vernon doctors at the addition of the new apparatus to the hospital equipment.

SEA CADET CORPS STILL SHORTAGE OF BILLETS FOR VERNON SOLDIERS

Air And Army Cadets Join With Corps In Launching Ceremony Last Thursday

An interested group of spectators watched the launching of the two cutters by the Royal Canadian Sea Cadet Corps "Grenville," at the foot of Bernard Avenue last Thursday afternoon.

The proud Kelowna Corps paraded down Bernard Avenue over 60 strong just prior to four o'clock, and the crews of the two boats took their places on both sides of the craft, which rested on launching platforms ready to be wheeled into the lake.

The Army and Air Cadet Corps of the Kelowna High School followed the Sea Cadets to the launching grounds and formed a guard of honor. The Air Cadets displayed their usual smart appearance and the Army Cadets made a fine showing in their new uniforms, which have red cup flashes and red shoulder insignia.

The ceremony prior to the launching was a simple one, with J. D. Whitham, chairman of the Kelowna R.C.S.C. Committee, expressing his pleasure at the support given by Kelowna citizens in the work of the Sea Cadets. This support, said Mr. Whitham, is typical of the co-operation and community spirit for which Kelowna is famous.

After this short address the crews, wearing their life preservers, wheeled the cutters in succession to the water's edge and working parties pulled away the platforms as the boats slid into the blue water. The crews slipped into their seats and, with the two coxswains in command, the oars were dipped and the cutters were off on their first workout amid the applause of the spectators.

Hostess Club Needs The Help Of Home Owners — It Is Appreciated

Forty-five officers and men from the Vernon Camp were billeted last week-end, the Hostess Club reports, but ten visitors had to be turned down because billets could not be found for them in homes of the city.

There are 45 householders listed at present and many of them take two soldiers each week. It is the aim of the Kelowna Service Men's Hostess Club to have a minimum of 125 billets on file for accommodation of soldiers visiting the city each week-end. If this could be accomplished, it would not be necessary for a few patriotic and generous citizens to carry the whole load each week. It is estimated that such an arrangement would mean that each household would only be called upon once a month and the load would be more equally distributed.

Everyone who has a spare bed not in use should make a point of contacting the Club and offering this accommodation. The privilege will not be abused and the donors will be amply repaid by the sincere appreciation of their guests. Only those who have experienced the monotony of army camp life can know what even a brief stay in a home means. It is one of the greatest morale builders in existence and can only be provided through the unselfish co-operation of the residents of Kelowna. It is a small thing to do but the return is great, and no soldier should be turned away because a bed cannot be found for him.

Irrespective of war's progress, every bit of food you raise in a Victory Garden adds to the supply available for hungry nations overseas.

"But darling, suppose the war's over before the vegetables come up!"

LONDON.—The total area of Britain's airfields today is greater than the combined area of the counties of London and Middlesex. Flying from London to Liverpool, a distance of some 200 miles, one is never out of sight of an airfield.

LAGOS.—In some parts of West Africa bicycling has become very popular indeed. There are even "taxi-cycles" with a first-class fare of a penny a mile. First-class means that you remain seated while you are pushed up hills, second-class is cheaper since you get off and walk.

KELOWNA IN BYGONE DAYS

THIRTY YEARS AGO
Thursday, April 30, 1914
"Word has been received by the Board of Trade that the Sunday boat service will be resumed on May 31st."

"The new Maternity Ward of the Hospital is rapidly nearing completion, and the old portion of the ward will be lightened up with a fresh coat of paint to match the new part."

A meeting of golfers was held on Thursday, April 23, to consider a proposal by the Bankhead Orchard Company to lay out and maintain a course on a tract of sixty acres close to the city, provide a club house and undertake all financial responsibility, on receiving a guarantee of not less than fifty members. After inspection of the site, it was decided to accept the offer of the Company, and a provisional committee was formed, consisting of G. H. Blinger, W. E. W. Mitchell, H. G. Pangman, W. R. Pooley and H. G. M. Wilson for the purpose of enrolling members and inaugurating the Golf Club. The annual subscription was set at \$10 for men and \$5 for ladies.

TWENTY YEARS AGO

Thursday, May 1, 1924

At a meeting of delegates from all parts of the South Okanagan constituency, held on Friday, April 25th, C. B. Latta, of Kelowna, was the unanimous choice as Liberal candidate in the approaching provincial general election. Officers chosen for the South Okanagan Liberal Association were: President, W. C. Kelley, Summerland; Vice-Presidents, W. Hamilton, Kelowna, J. Fowler, Windfield, W. Armour, Naramata; Secretary, H. V. Craig; Treasurer, A. W. Hamilton.

The Liberal campaign in South Okanagan was inaugurated with an oratorical barrage of heavy artillery at a mass meeting in the Empress Theatre on the evening of Friday, April 25th. The proceedings began at eight o'clock and lasted until midnight. Among the speakers were Hon. A. M. Manson, Attorney General, Hon. John Hart, Minister of Finance, Hon. W. H. Sutherland, Minister of Public Works, Dr. C. MacDonald, M.L.A. for North Okanagan, C. B. Latta, Liberal candidate for South Okanagan, and Dr. W. J. Knox, who presided.

The Glenmore Gun Club held its first shoot at its new location on the Pridham property, on Thursday, April 24th. Some thirty members were in attendance besides several visitors from Okanagan Mission. The big event of the afternoon, a team competition between five teams, the G.W.N.A., Okanagan Mission and three Club teams. It was won by the Club team captained by W. R. Maxson. Silver medals were awarded to the winners by Messrs. Aisgard, Moe, Maxson, Schell and Rankin.

A joint committee, consisting of L. Hayes, A. J. Finch, A. T. Howe and G. A. Barrat, appointed at a conference between independent shippers and the Associated Growers at Kelowna, after several sessions, finally evolved a plan of common action in selling the Okanagan fruit and produce crop which met with the approval of the various firms represented at the conference, and there was some reason to entertain the hope that an end would be put to the insane competition and ruinous price-cutting that had characterized the marketing methods of some shippers in past years. Press representatives were not admitted to the sessions, and the only available details of the scheme were those contained in a memorandum handed to the press, according to which a Board of Control was to be constituted consisting of six members, three from the independent shippers and three from the Associated Growers; the Board to appoint a General Sales Manager as seventh member. The Sales Department was to have full control over all sales and distribution, and would perform all invoicing and collecting. No provision was made in the scheme for representation of growers on the Board, otherwise than through their shippers.

A severe frost on the night of Friday, April 25th, played havoc with the tomato plants in the cold beds at Karamore, Canton and Kamloops, but very little damage was done at Oliver or Kelowna.

The following were chosen as officers for the coming season at the organization meeting of the Kelowna Baseball Club, held on April 30th: President, S. T. Elliott; Vice-President, Dr. J. E. Wright; Secretary, Ted Buse; Executive Committee, T. Treadgold, K. MacLaren, E. W. Wilkinson, E. C. Shanks; Manager, H. M. Sparks.

TEN YEARS AGO

Thursday, May 3, 1934

At a meeting of various committees working under the Growers' Stabilization Committee it was decided that the latter become a committee of the B.C. Fruit Growers' Association, but it would continue with its organization work until plans were completed for the marketing of the 1934 crop.

The executive of the Associated Growers of B.C. decided to support the Growers' Stabilization Committee in pressing for a Board of three growers to be set up under the Natural Products Marketing Act.

Rugby enthusiasts held a meeting on May 1st in order to revive the popular English football game in Kelowna. About forty attended, and it was decided to form two teams in the city to play against each other in practice games. Out of the two teams a representative fifteen would be picked to play other teams from interior towns. The following officers were elected: President, T. G. Norris; Vice-President, R. F. Parkinson; Secretary, Max Oakes.

Since January 1, 1943, ships of the Royal Navy and R.A.F. aircraft have sunk more than half of the German undersea fleet.

Enderby Man Wins Big Prize In April War Savings Draw

Over Twenty Thousand Dollars Have Been Distributed In Certificates

B. I. Smith, of Enderby, won the \$100 War Savings Certificate in the twenty-eighth draw, held last Thursday night, when A. D. Carr-Hilton drew his name from tickets valued at \$670.00.

Two Vernon residents in the persons of Mrs. N. East and J. E. Briard will each get \$50.00 Certificates. Six \$25.00 prizes went to residents in Kelowna, Armstrong, Penticton and Ocean Falls, and special sellers' prizes were also distributed.

A total of 57 prizes valued at \$670 were drawn, bringing the total since the first draw to \$20,046, which has been distributed to 1,872 fortunate ticket holders.

The next War Savings draw will be held on May 23, and a cover draw will also be held in conjunction with the drawing, in which April books will be used. The special cover prize will be \$50.00.

\$5, J. A. Labron, Penticton.

NEW DELHI—Trade Unionists in India increased their membership in 1940-41 according to recently published statistics, to 513,832.

LONDON.—Drafting married women for urgent domestic service jobs in hospitals and institutions is the latest example of Britain's woman-power shortage. Since single women are in essential war jobs, married women are now being called to fill the critical need of 30,000 women in this work. Minimum wages and working conditions for these "directed" will be maintained at a high standard.

EATONS DONATE SEA CADET CUP FOR REGATTA

Cutter Race Will Be Open To Any Crew In Canada

The T. Eaton Company of Canada has donated a large silver trophy for competition between Royal Canadian Sea Cadet cutter crews at future International Kelowna Regattas. It was announced on Monday, when the cup was handed to the Aquatic directors by Roy Longley, company representative.

The trophy is a beautiful silver cup standing twelve inches high and is a worthy addition to the extensive group of fine trophies put up for competition each year at the annual Regatta.

The Kelowna Corps and the Penticton Cadets are already pointing for the main event next August which will add one more outstanding contest to the long list of water sports on the Regatta program. The race is open to any Sea Cadet crew in Canada, and it is hoped that crews from other centres in the interior and from the Coast will enter the lists in an effort to win the award.

The Aquatic directors are delighted with the splendid trophy which bears the name of one of Canada's great merchandising firms, and the great should be one of the highlights of this year's outstanding water gala.

The two new cutters acquired by the Kelowna corps were launched last week and are magnificent boats.

Tom Carscadden, as Peter Hartleigh, effeminate pseudo-English young man from New York, gave an excellent performance, filling the part originally cast for Denis Barford at short notice.

Minor roles were well handled by Mrs. Carscadden, Bernice Ward, Lorna Curtis and Fred Wright. Pamela Leckie and Andrew McCormick, as Pudgy and Tommy, were more at ease in their parts than the older members of the cast and appear to have a lot of natural talent.

The plot lacked conviction and the players carried a heavy burden at times with lines that were slurred and a bit "dated." However, Polly, by her simplicity and naturalness, transformed the Beverlys into useful members of society and saved the family fortune with her inheritance, and the audience obviously enjoyed the happy conclusion to an enjoyable evening's entertainment.

The play was directed by Mrs. Carscadden and Margaret Mitchell acted as stage manager.

AFLOAT OR ASHORE

WHEN THE JOBS TOO BIG for SOAP use

SNAP
CLEANS DIRTY HANDS

The main rubber-producing areas in British tropical Africa are in the coastal belt of Tanganyika. The Germans, when they held the territory before the last war, tried to build up rubber production unsuccessfully and abandoned the venture as hopeless. In the meantime, British rubber experts from Malaya rediscovered the derelict plantation and set it humming again. By 1942, Tanganyika was producing 1,000 tons of rubber annually, which goes to her nearest consumer neighbor, South Africa.

MARGARET BALL MARRIED TO ROYAL CITY MAN

University and nursing circles
share interest in the wedding last
Saturday in the Anglican Church,
when Margaret Louise, elder daugh-
ter of Mr. and Mrs. W. R. Ball, of
Kelowna, became the bride of Les-
lie Arthur Martin, elder son of Mr.
and Mrs. A. R. Martin, New West-
minster.

Ven. D. S. Catchpole officiated at
the 8 o'clock ceremony.

Given in marriage by her father,
the bride wore a hyacinth blue suit,
accented with navy and white ac-
cessories. She wore an orchid cor-
sage.

Miss Betty Ball was her sister's
junior attendant.

Following a reception held at the
home of the bride's parents, Mr.
and Mrs. Martin left for a wedding
trip in the Okanagan Valley.

They will reside in White Rock
for a month, and then in Vancou-
ver.

MARY E. ROYLE
MARRIED TO
J. R. BEATTIE

Bride Was Member Of CKOV
Staff Here—Groom Is Hamilton Man

Courtenay Church, Hamilton, Ont., was the scene of a pretty wedding on Saturday, April 29, when Mary Evelyn, daughter of Mrs. C. M. Royle, Leon Avenue, became the bride of J. Reginold Beattie, of Hamilton. Rev. A. C. Eddy officiated at the ceremony.

The attractive brunette bride chose for the occasion a frock of shell pink French crepe with silver accessories, and an unusual feature was her Juliet clip made of fresh carnations on tone with her gown. Her shoulder length veil of pink tulle fell in soft folds over her face.

Mrs. S. E. Tapley, the matron of honor, wore a two-piece turquoise fine wool gown with matching hat and a corsage of Tullman roses.

The little flower girl, Helen Jane Burt, Toronto, was frocked in a smocked effect flowered silk dress and wore a bandeau of sweet peas in her hair.

S. E. Tapley, of Stratford, was the groomsmen.

A reception at the Royal Connaught Hotel followed the ceremony, at which about fifty guests were present from Toronto, Hamilton, and Ottawa.

The bride's table, which was centered with the wedding cake embedded in white tulle and rose-petals scattered through the tulle, was decorated with roses and sweet peas and tall white tapers. During the reception Mr. and Mrs. Beattie were the recipients of many telegrams of congratulation from all parts of Canada.

For travelling, the bride donned a grey tuxedo-styled wool coat with grey squirrel trim and hat on tone.

Mr. and Mrs. Beattie will reside in Hamilton.

The bride was a member of the staff of CKOV for several years and was actively interested in many local service organizations.

Mrs. A. V. French, formerly of Kelowna and now residing in Hamilton, was a guest at the wedding.

REBEKAHS HOLD
INITIATION

Three New Members Received
At Impressive Ceremony

The regular meeting of Kelowna Rebekah Lodge, No. 38, was held on Wednesday evening, April 26, with Miss Lily Patterson, Noble Grand, in the chair.

The highlight of the evening was the initiation, whereby Mrs. E. McNeill, Mrs. M. Downing and Mrs. J. A. Smith were received as members. Mrs. Taggart was in charge of the degree work, which was impressive and very beautiful. Those

RED TAPE THINKING—Editorial continued from Page 1

possible" to alter her menus to fit food shortages, so she becomes a hoarder. She must dust the guest room every Wednesday, so if the Red Cross meets on Wednesday she can't possibly go. Habit binds her husband to golf or poker dates, so he continues to buy luxuries he thinks are necessities and he can't spare money for Victory Bonds.

Systems encourage red tape; they keep us in a groove. We get into the habit of performing only our own job, letting somebody else carry on. Under our political system, the civilian believes that after he votes, his responsibility to his government is ended. The clerk or laborer, under our present system, thinks that if she files certain papers all day or he twists one bolt, he's earned his wages.

And there is that large group of respectable citizens with "money in the bank"—literally. The group which is keeping its money in the bank instead of putting it where it will do the most good for themselves and their country—into Victory Bonds. These people are as effectively tangled in red tape as are the "brass hats" about whom they complain. More so. Their money lying in the savings accounts could do much more for themselves and for their country if it were invested in Victory Bonds, but red tape thinking prompts them to keep it idle. There is not a reason on this earth why any money should remain in savings accounts when it could be put into Victory Bonds. To try to justify an excuse is only red tape thinking. Too many of our citizens appear to think that war is a pink tea and they are waiting for an invitation before getting into it. Well, as far as their money goes, in the Sixth Victory Loan, they have that invitation—and a challenge.

Victory Loan Publicity

Generally speaking, we are not happy about the Government advertising copy for the Sixth Victory Loan. It seems to have little sparkle and is flat and dead. This applies to both newspaper and poster advertising.

However, if we are not enthusiastic about the general run of the Government's Victory Loan advertising, there are two or three items which do deserve some comment for their excellence. Take for instance the film, "The Shining Future." The man who could sit unmoved through that must indeed have a heart of granite. It is by far the best loan promotion movie short we have seen.

Then, too, there is some of the sponsored advertising, which is of an excellent character. The banks this time seem to be doing an excellent job with plain factual material, simply worded but straight from the shoulder. Then, too, last week's Courier carried two or three excellent sponsored ads, the copy of which was written by those men who paid for the space. They did an excellent job, and it is of such enthusiasm and initiative and support that build successful Victory Loan campaigns.

taking part were Mrs. A. Dore, sale will be gladly received. Mrs. G. Gibb, Mrs. E. Rankin, Mrs. The Dime a Time meeting will be E. Flack, Mrs. L. McInnes, Mrs. B. held at Mrs. Corbett's, 181 Lawrence Black, and K. Smith at the piano, Avenue, on Friday, May 19, when while Mrs. Hardy sang several solos. the articles for the sale will be

SOFTBALL LEAGUE

Softball is a sport that is due to flourish in the Valley this season, if present plans materialize. According to Bill Wilcox, Pro-Rec Chief Instructor, sixteen teams from Kelowna and district will compete in a city league and participate in a Similkameen-Okanagan playoff for a chance to enter a B. C. softball final.

Leagues are also to be formed in Oliver, Penticton, Summerland, Vernon and Salmon Arm.

As a means of stimulating interest in the proposed Interior and B. C. playoffs, the B. C. Softball Association is considering sending a Vancouver ladies' ball team to the Interior for a number of exhibition games.

"Wholesome Food Ends Constipation"

"Sure, I'm happy about ALL-BRAN. It really solved my constipation, and so gently. It proved that I could quit harsh, embarrassing purgatives—which at best gave only temporary relief. So that's why I praise ALL-BRAN—eating it keeps me regular—and it's a wholesome cereal, too."

Good food, as well as a gentle

laxative. That's the big news on ALL-BRAN—if your constipation is due to lack of "bulk" in the diet. So simple, too. Just eat KELLOGG'S ALL-BRAN regularly, and drink plenty of water. This pleasant cereal helps to produce smooth-working "bulk" and prepare wastes for easy elimination. Then, to stay regular, you'll enjoy eating ALL-BRAN every day. Remember, it's a cereal—not a medicine. Your grocer has ALL-BRAN in 2 handy sizes. Made by Kellogg's in London, Canada.
